Make it a place to unwind. Make it a place to enjoy.

Middlewood Locks is an enjoyable place to be. With plenty of space to relax, areas of greenery, interesting walking routes and canalside beauty, it promotes a healthy and enjoyable outdoor lifestyle.

A PLACE FOR PEOPLE TO LIVE, WORK AND ENJOY.

Middlewood Locks is a true neighbourhood, a city-village with people and their wellbeing at its heart.

The community here is warm, welcoming and as you'd expect from Salford and Manchester, full of personality.

Toni Griffith

Manager, Seven Bro7thers

“ I'm really enjoying watching the community being created around us, and it is fantastic to be a part of that. Being on the canalside in such a picturesque location, in fact it's the perfect location for our beer garden! I'm excited to watch Middlewood Locks grow and develop over the next few years. ”

James

Resident

“ My time at Middlewood Locks has been incredible. It started with the extremely friendly and helpful sales team. They made everything easy and enjoyable. I couldn't be happier with the area. It is close to the city centre, transport links and places to socialise. With the future of Middlewood Locks only set to expand and become better, I am excited to see what is to come. ”

MEET OUR COMMUNITY PATIENCE & ALISON.

“We found an amazing community at Middlewood Locks. Even though you live in separate apartments, you don’t feel alone.

There are people all around, having a chat while walking along the canal paths which are fantastic for dogs and dog walkers. We feel a constant sense of community with the people living around us. People look out for each other, which you can see on the community Facebook groups. Neighbours are keen to help each other out and really care for each other’s safety and security. Even at night it’s safe to walk around.

We chose Middlewood Locks because of its excellent proximity to the city centre. Then we realised how convenient everything here is; the Co-op is great especially when you need some last-minute groceries and there’s no time to go to the supermarket. Inside the apartment, the layout is really smart. It has been built in a way that maximises and opens up the space, while giving you a warm and welcoming atmosphere. All the appliances are really modern and saved a lot of money when we were moving in.

Something else that took the stress out of moving in to Middlewood Locks is the fact they provide a two-year aftercare service. They include this in the purchase price, which is unlike most developers. The marketing and sales team were so nice and helpful and now the neighbourhood team are great. They take real care of maintaining the communal spaces.

Overall, we love living here. We’re excited to see Phase 3 arrive and to watch the Middlewood Locks community grow.”

CALMLY CONNECTED TO THE CITY.

Middlewood Locks canalside location is perfect for people seeking a peaceful neighbourhood that's closely connected to the city core.

It provides a rare quality for those who want to enjoy city life with a difference: calmness. Just far enough away from the hubbub, bright lights and noise to feel like a sanctuary, but still close enough for it all to be within strolling distance.

It's an impeccably well-connected gateway neighbourhood, close to Spinningfields, St.Johns, New Bailey and Castlefield and the many bars, businesses, restaurants, shops and world-class cultural experiences within the city centre.

MEET OUR COMMUNITY NOSHEEL & BLAZEJ.

“While the canal and beautiful landscaping is undoubtedly stunning at Middlewood Locks, the real heart of the community lies in the people.

The development is a melting pot of diversity, personalities and welcoming charm. While proudly sitting in Salford, it is situated only minutes from Spinningfields and Castlefield but manages to maintain an independent peaceful quality.

Our buying process was surprisingly smooth, made all the better by the very personable customer service from Julie and Mary. Nicola and her team definitely helped make the decision easier. Their work is now to continue to nurture Middlewood Locks without losing the essence of community.”

MAKE IT IN MANCHESTER.

Manchester has firmly established itself as the largest regional economy outside London and regularly tops the charts as being one of the most desirable places to live in the UK.

Businesses and residents alike are attracted by its reputation as a competitive place to do business, thriving sporting and cultural scene, excellent retail and leisure facilities and highly-skilled job opportunities.

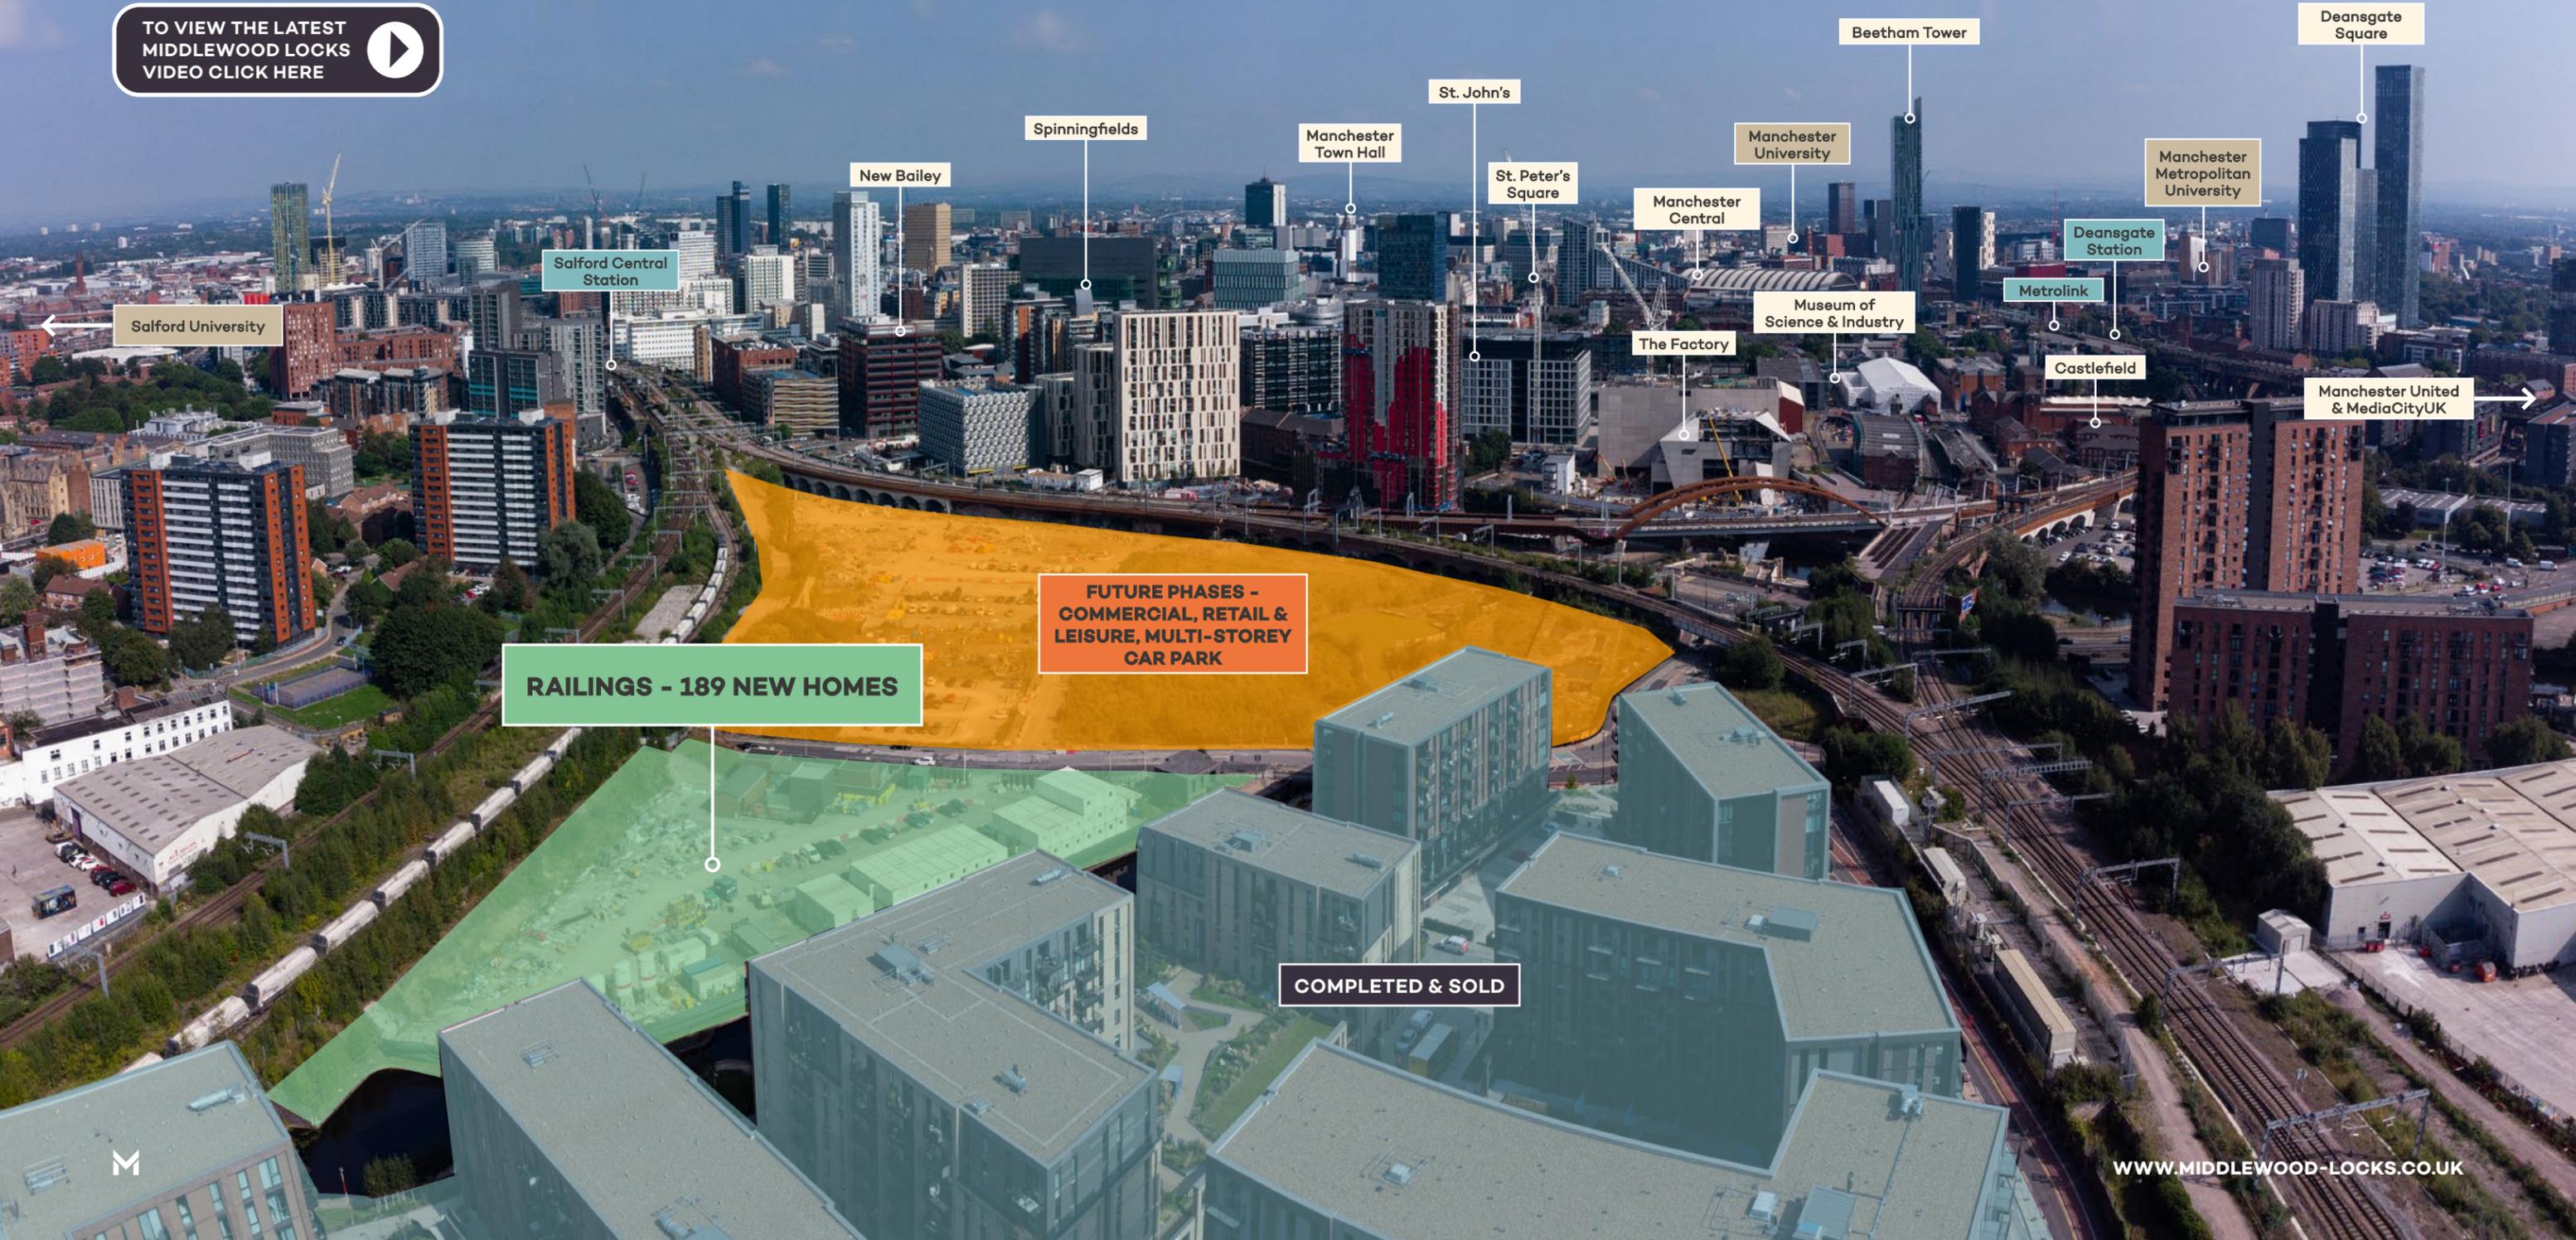

Manchester also has the second highest graduate retention rate of any UK city and almost two thirds of the graduates who grew up in the city but left to go to university return to the city to work, bolstering its already-enviable talent pool.

MEET OUR COMMUNITY JORDAN & NICK.

“Middlewood Locks is a fantastic place to live, from the moment we moved in the sense of community has been growing.

It's great to have access to green space and the tranquillity of an urban neighbourhood as well as being in close proximity to the city centre with areas like Spinningfields and Castlefield on your doorstep. The properties on offer are of such high quality with real thought being given to how people will truly live in and around them; having conveniences such as the Co-op and Seven Bro7hers as built in features really gives the development its own identity.”

DESIGNED WITH THOUGHT, DESIGNED FOR LIFE.

Railings has been thoughtfully designed within the context of the local area, with traditional brick construction and stylish detailing, like crittal effect windows in the townhouses, it has a modern classic look.

The open and inviting public realm is already hugely popular amongst the existing community at Middlewood Locks and Railings will add to this. It's an exciting addition to a neighbourhood made for mingling. The layout of the buildings encourages social interaction and the abundance of uncrowded outdoor space, which is light and calming, is a real rarity in the city.

Railings has exceptional homes and outstanding amenities for residents. All apartments have a high specification with a modern open plan living area, making the most of the natural light and creating stylish, functional and relaxing living spaces.

Likewise, the impressive residents lobby lounge is a welcoming and versatile spot which will be great to meet your neighbours for a coffee and a catch up or an ideal working from home space. And for when you can't be at home there's peace of mind that the purpose-built post room provides safe receipt and storage for those all-important deliveries.

MEET OUR COMMUNITY DAVID.

“I’ve been living in Manchester and renting in different areas of the city for 5 years now, and decided it was a good time to buy my first apartment.

I decided on Middlewood Locks for the obvious, great location and only a 5 minute walk to the city centre, gyms and shops close by and the apartments themselves had the best layouts of any I’d viewed.

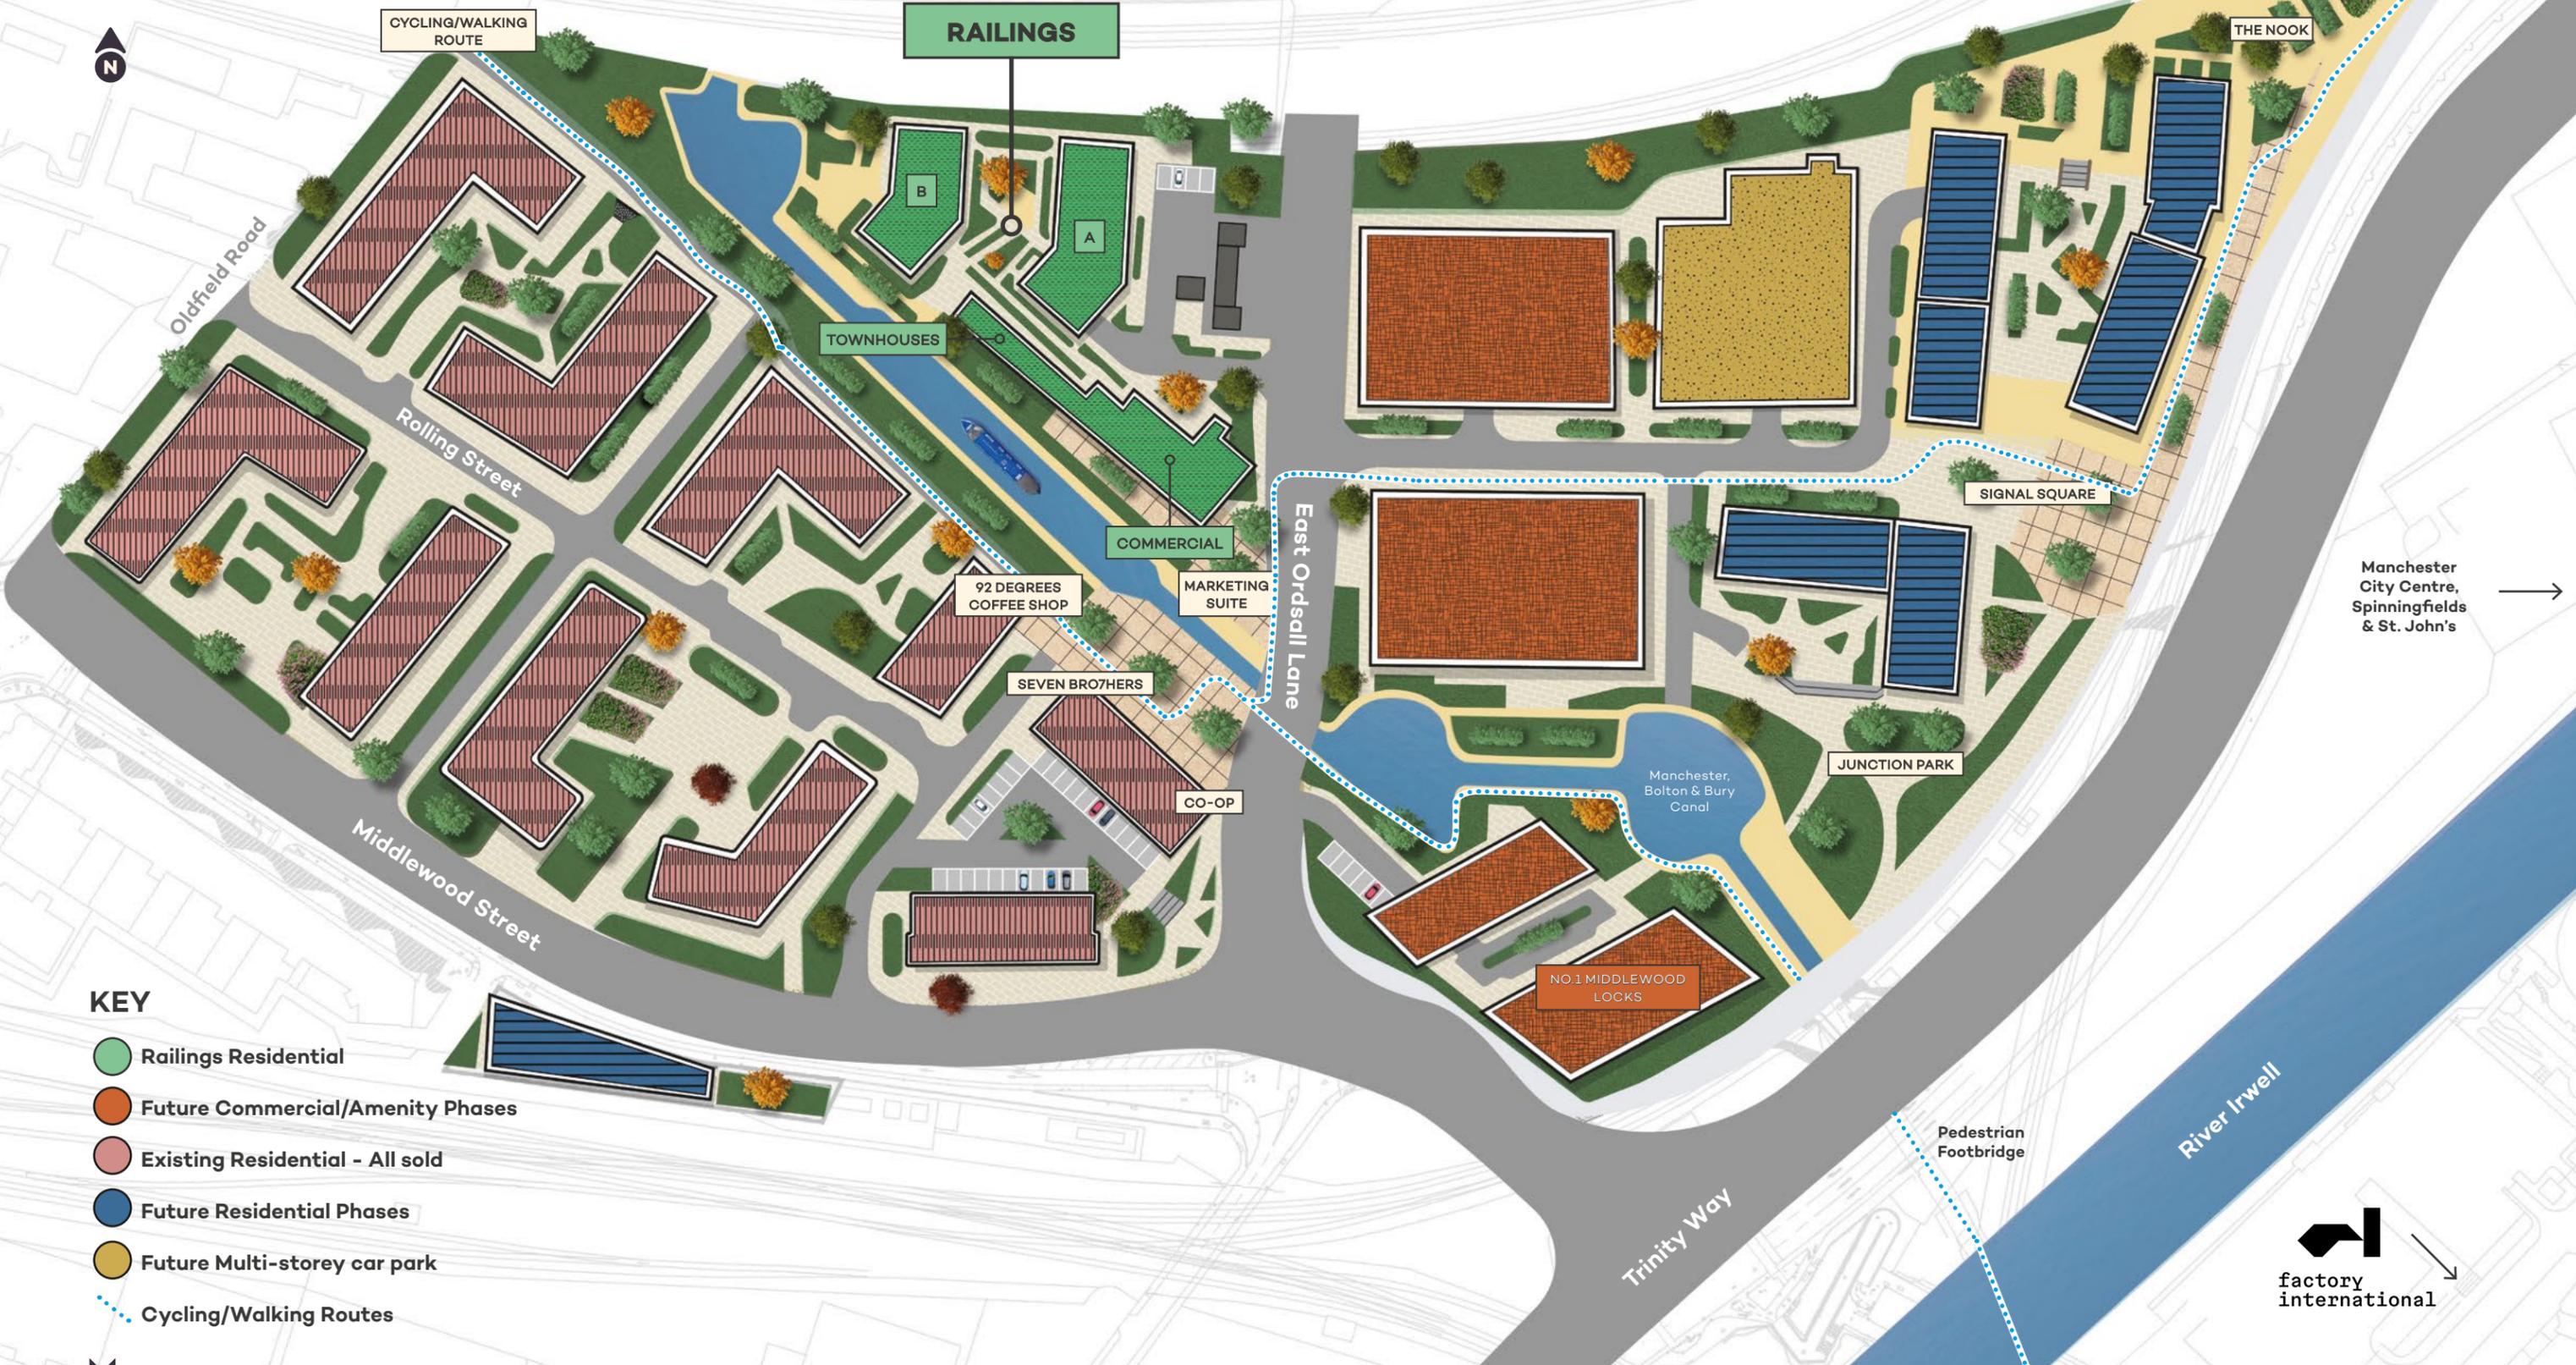

After moving in October 2020, I realised that I’d chosen a place to live with an incredibly friendly and collaborative community, where everyone helps each other out and the energy around Middlewood Locks is always positive.

I’d highly recommend living here, and I’m looking forward to meeting more of the community.”
